REQUEST TO WITHDRAW NOTICE OF NONCOMPLIANCE

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

In reply to the Notice of Non-Compliant Amendment mailed March 18, 2008, the applicant requests the Notice to be withdrawn. The Notice was issued on the ground that each claim has not been provided with the proper status identifier. 64 claims are filed or have been filed in the application. The identifiers provided in the last amendment filed on Dec. 26, 2007 are provided for each claim and are correct for each claim. The only identifiers used are "original", "currently amended", "cancelled" or "previously presented".

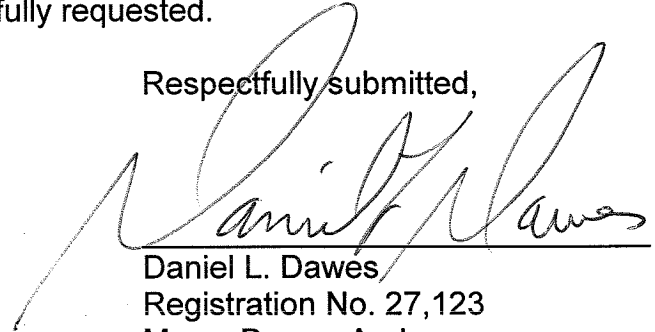

The claims as last amended are attached as Exhibit 1 as downloaded from PAIR.

The claims as filed prior to the last amendment are attached as Exhibit 2 as downloaded from PAIR.

Comparison of Exhibits 1 and 2 reveals that the amendments are correct. The Office may have missed the fact that in many cases the amendment is only adding a period to the claim. For example, claim 7 in Exhibit 2 shows no period at the end of the claim. Claim 7 in Exhibit 1 therefore has an underlined period at the end of the claim added by amendment and its status is thus identified as "currently amended".

Withdrawal of the Notice is respectfully requested.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Daniel L. Dawes", is written over a horizontal line. The signature is fluid and cursive.
